NEW YORK AND INDIANA REDEEMED.

Cleveland Beaten in His Own State by Nearly Fifteen Thousand Plurality, and Retired into Private Life---The Democratic Leaders Crestfallen and Dismayed by Disaster.

NEW YORK.

NEW YORK, Nov. 7 .- The republican national committee make the following statement:

REPUBLICAN NATIONAL HEADQUARTERS-Nov. 7 .- In view of the claims promulgated by the democratic national committee, that they have carried the state of New York for Cleveland, and are sending telegrams to their local committees all over the state to that effect, the republican national committee have sent out to the chairman of each republican county committee of the state the following telegram:

chairmen claiming the state, and urging them to pay attention to returns. See that the returns are thoroughly guarded until officially counted, and prevent frauds at all hazard. In case of necessity employ coun-sel. Notify us of any tampering with the

sel. Notify us of any tampering with the returns. Communicate with your own committee if necessary by special messenger."

The Evening World in an extra quotes Chairman Brice, of the democratic national central committee, as having said: "We concede nothing, and from the latest returns there is a fair indication that Cleveland has carried New York state."

Following this in the World (extra) is this:
This is what they say at national democratic

This is what they say at national democratic headquarters, and it was given out as the of-ficial utterance of the national democratic committee, to a crowd of anxious visitors who throughd the parlors this morning in search of the latest news. The statement is based upon the fact that corrected returns from the interior counties of the state show a large cutting down of Harrison's majorities, and many counties whose plurality had al-ready been given, purporting to be in full, are still found to be incomplete. This is eswhere it is said there will be a fight be-fore the count is completed. When it was learned that Illinois and Wisconsin might be close states as well as Indiana and Connectieut, telegrams were sent to the chairmen of state committees in each state. Mr. De Forrest was the only one at the democratic state committee rooms. He said: "We are not in as bad shape as we were on the day after the election in 1884. We will concede nothing. I have wired to every county for revised returns. Till I receive them, I shall claim the state. There are errors in the Kings county returns, though how extensive do not knew. The count will be looked

At the republican headquarters Colonel Quay said: "I can't say anything until it is all over. Of course Harrison is elected and has undoubtedly carried New York state I am told that an attempt is being made by the democrats in Kings county to steal the state, but they can't do it." In the same issue of the World which cen-

tains the above in double-leaded type carried over from an earlier edition, are these words:
"Apropos of Colonel Brice conceding nothing, there is little reasonable doubt that Benjamin Harrison will be the next president of the United States."

The Evening News (dem.) in a late extra heads up its election matter thus: "Not yet settled. Cleveland depending on Illinois and California. New York state propably repub lican. Connecticut and Indiana both demo-cratic." The matter thus headed up here follows: "The result of the election for presifollows: "The result of the election for president is still in doubt. The democrats claim Illinois, California and Nevada, which would elect Cleveland without New York, as the democrats have undoubtedly carried New Jersey, Connecticut and Indiana. It looks as if New York state had been carried by the republicans, as the returns from republican counties continue to pour in gains. The latest returns show Harrison's plurality to be about 8,000 in this rison's plurality to be about 8,000 in this state, but many of the counties are esti-mated. Captain McClellan, secretary of the executive campaign committee, has tele-graphed the state committees of Illinois and Wisconsin for the latest returns, Both states

The national democratic committee does not concede New York to the republicans. No returns have been received to show any-thing more than that the state is close. Connecticut and Indiana have been won. fornia news is very favorable to the demo-crats, and in Illinois there is a firm claim for the democratic presidential as well as guber-natorial ticket."

In the same edition of the News are these In the same edition of the News are these editorial expressions: "We don't give up just yet. Cleveland has in all probability lost the state of New York, but there is a cheerful prospect that he may yet have a majority of the electoral vote. The republicans claim everything, while the latest returns positively insure the states of Indiana, New Jersey and Connecticut for the democracy. This gives the democrats 183 out of the necessary 201 votes, with California 8, Nevada 8 and Illinois 22 as doubtful. Illinois is almost certain to elect a democratic govalmost certain to elect a democratic gov

ernor, and the national committee does not give it up for Cleveland." Chairman Quay authorizes the following statement. The republicans on Tuesday car-ried by increased majorities all the states carried for Mr. Blaine in 1884, and in addition have New York by a plurality of 15,000, and Indiana by a plurality of from 4,000 to 6,000. West Virginia is in doubt. General Harrison's election is assured.

in the state, as far as returned, show plu-ralities for Cleveland of 78,956 and for Harrison 90,147, giving Harrison a plurality in the state of 11,191.

The Sun this morning will say: "Harrison has 11.762 plurality in New York state and Hill 18,952." It says that the next nouse of representatives will be so evenly divided between the two parties that an efficial count between the two parties that an efficial country will be necessary to decide which is in the majority. It has figures to show that Indiana gives Harrison a plurality of about 2,000. Connecticut is democratic by 494.

ALBANY, Nov. 7.—The Argus (dem) gives Harrison a majority of 10,000 over Cleveland.

INDIANAPOLIS, Nov. 7 .- The city has been in a ferment since early morning. Long before the resumption of bulletins a large crowd gathered around the Journal office, calling "Returns, Returns," and clamoring to know the latest from New York and Indiana. The Journal and Daily News issued 10 c'clock extra editions. As soon as the

newsboys appeared bearing their arms full of papers, a crowd of one hundred or more would encircle them and quarrel and scramble to buy their goods. For an hour or more the two perfecting presses of the News and the big Journal press could not keep up with the greedy demand for the latest election re-turns. All day long the crowd skirted the turns. All day long the crowd skirted the Journal building, while on Washington street, in front of the News office, the police could not keep the way open, and for a time traffic was blockaded. As the building were posted in the News windows, showing that Harrison steadily gained in Indiana, or at least maintained his first gains, the crowd

heered and yelled for a long time. Returns were being received at several "Although full returns from every county in the state show New York safely for Harrison by upwards of 15,000 plurality, the democrats are telegraphing to their county chairmen claiming the state, and urging them to pay attention to returns. See that York City and Kings county, confirming previous figures, the crowd grew boisterous and hilarious, singing and cheering. In the corridors of the New Denison the scenes of last night are being repeated upon a moder-ate scale. At the Bates and Grand hotels

large crowds are concregated, but no dem-onstrations are in progress.

Thousands of telegrams were received today by citizens and newspaper people from distant friends, appealing for information as to how Indiana had gone. The meagerness of the returns of last night at the late hour at which they arrived seems to have directed the eyes of the entire country toward the old

Hoosier state.

Among the several hundred telegrams re-ceived by Chairman Huston were over fifty ceived by Chairman Huston were over fifty stating that parties were being offered wagers on Indiana going democratic. Congratulatory telegrams have poured in on General Harrison since early morning, and are from all parts of the country. The press will be given access to these telegrams at such a time as General Harrison thinks proper. Under the circumstances he is not disposed to be hasty in this matter, taking lisposed to be hasty in this matter, taking the same cool but serious view of the election as he manifested in such marked degree

throughout the campaign. It has been an anxious day for the crowd at the democratic headquarters. Returns from New York have been very well received, and all eyes were turned to Indiana. At 8 o'clock this evening the committee rooms were packed with seekers after the latest news Chairman Jewett, Mr. Sheerin, secretary of the democratic national committee, and a large corps of assistants have been busily engaged since early morning in receiving and tabulating returns from various parts of the state. When the Associated Press correspondents when the Associated Press correspondents called this evening after news, Mr. Sheerin was in charge. When asked for an expres-sion regarding the result in Indiana, he said: "We have heard from fifty-four counties officially, and, taking the figures chaimed by the republicans for the rest, our returns give the state to Cleveland by from 1,500 to 2,000 plurality. The republican state ticket is behind their national ticket, so that our

state ticket will have a larger plurality than that. I think we have gained three, and possibly four, congressmen, and we have a good working majority in both branches of the legislature. Our returns are official from every county. Our committeemen send them to us as soon as they can get them exactly."

The opinions expressed among democrats generally are varied, but a great many are conceding the state to the republicans. Mean-while the faithful keep up their weary wait. INDIANAPOLIS, NOV. 7.—Attorney General Michner, on behalf of General Harrison, Michner, on behalf of General Harrison, wired W. W. Dudley, of the national repub-lican committee, this afternoon, inquiring with regard to the correctness of the report acceded to Senator Gorman, alleging the discovery of an error in the returns of Kings county which will give New York state to the democrats. Colonel Dudley, at 4 p. m., sent the following to General Harrison:

"There is positively nothing in it. Our people are guarding the returns from Kings county and other precincts and counties with absolute vigilance. Fraud is barely possible, but will not be permitted if the most perfect espionage by honest, brave men can prevent it. The state is now ours. The latest re-turns sure to give you 16,000. If there is any change it will be more."

The following telegram was received to-night by General Harrison:
New York, Nov. 7.—To General Benjamin Harrison: Cordial congratulations. New York is supremely happy. The republicans are jubilant and the democrats shedding their tears.

CHAUNCEY M. DEFEW.
Eight hundred and sixty precincts in Indiana give Harrison 136,203, Cleveland 128,-648. The same precincts in 1884 gave Blaine 123,744, Cleveland 122,711.

The discrete M. Defew.

The following dispatch was received from To Hon. Benjamin Harrison, Indianapolis. Ind.—Congratulations upon your election. Chicago is proud of the fact that her great auditorium was dedicated by the nomination

of our country's next president. The Indianapolis Journal has returns from eighty counties, showing gains for Harrison of 7.875 and Cieveland 350, and 3,500 majority on the national and state republican tickets The democrats gain congressmen in the First, Eleventh and Twelfth districts, and elect majorities in both branches of the

legislature.
Nine hundred and seventeen precincts in Indiana give Harrison 145,941, Cleveland 138, 365. The same precincts in 1884 gave Blaine 132,575, Cleveland 131,395. This includes all of Mariou county except four precincts. The official vote of Indianapolis city and Marion county gives Cleveland 398 majority. Secretary Sherin of the democratic national company and the country of the democratic national company. mittee said to night that it looked now as though General Harrison had carried the state, but it would require the official returns

At 10:30 this evening the democratic com mittee rooms were deserted. The janitor had full possession of the lower rooms. In the chairman's private room Mr. Jewett and hree or four assistants were engaged in figuring on the result of the legislative and congressional tickets. Mr. Sheerin had gone home. Chairman Jewett greeted the Associated press correspondent pleasantly, and in answer to a suggestion that he might

have something to say regarding the situa-tion in the state, said: "The indications are that the republican electors have carried the state. The official count may show differently. The probability is that we have elected a part of our state ticket. We have elected ten congressmen, a gain of four. We have a certain majority in the state senate of six, and in the lower

house of twenty, giving us control of the joint ballot. I do not care to say anything about the methods by which this was accom-

IOWA.

DES MOINES, Ia., Nov. 7 .- [Special Telegram to The Bee. |-There was a great sensation in democratic circles here to-day on the arrival of the sheriff of Adams county with a warrant for the arrest of E. H. Hunter, chairman of the democratic state central committee, on a charge of bribery. Hunter's home is at Corning, and a man was arrested there for repeating, yesterday, and he made an affidavit that he did so at the request of Hunter, who, he says, gave him two dollars for voting the second time. The man had voted in one of the country precincts, and, coming to town, was met by Hunter, who, he says, induced him to vote a second time and called him aside and paid him two dollars for doing so. Local democrats took pains to cover up riunter's tracks, and gave out that he had gone to Chicago when the sheriff searched for him to-day. It was ascertained that he left town in the opposite direction. Political circles are greatly excited over the

DES MOINES, Ia., Nov. 7.—[Special Tele-gram to The Bes.]—Thirty counties (com-plete) indicate that Harrison will have 30,000 plurality in the state, the largest for seven years. The entire republican state ticket is elected by majorities but little less. The most notable gains are for congressmen, the most notable gains are for congressmen, the republicans electing all but the one in the Second district, a gain of two. All the con-gressmen have increased their vote, as in this district, where Conger had 900 majority This year he has nearly 5,000. only republican whose re-election was re-garded as doubtful was ex-Governor Gear, in the First district, and he has nearly 1,000 majority. It has been a republican tidal wave in Iowa, instead of a democratic hope, as Chairman Brice has claimed.

ILLINOIS.

CHICAGO, Nov. 7. - This city, complete, and the rest of Cook county, except two small townships which, it is not thought, will materially change the result, give Cleveland 81,120, Harrison 80,263, a plurality for Cleveland of 857. The county complete in 1884 gave Blaine 69,251, Cleveland 60,609, a plurality for Blaine of 8,642. As there has been anty for Blaine of \$,042. As there has been no doubt that the state outside of Cook went heavily for Harrison, though possibly by somewhat less plurality than for Blaine in 1884, there would now appear to be absolutely no question, notwit histanding the great gain for Cleveland in Cook county, that the state is safe for Harrison.

is safe for Harrison.
ROCK ISLAND, Nov. 7.—Rock Island county (complete) gives Harrison 853 majority. Fifer is but little behind. Gest, for congress, gets 1.048, and is elected by 1,500 to 2,000 in the district. The entire republican county ticket is elected by good majorities.
Chickoo, Nov. 7.—The vote of 84 counties in Illinois, including Cook, show majorities for Harrison of 38,943, Cleveland 19,373. The remaining 18 counties, in 1884, gave Blaine 5,884 and Cleveland 6,542. Assuming that these 18 counties, not yet fully reported, give the same result as in 1884, the state will now give a plurality for Harrison of 18,912. It is safe to say, therefore, that Harrison's plurality will be about 19,000. For Fifer, the republican gubernatorial candidate, Cook county complete, except two townships, gives 78,983, and for Palmer (dem.) 83,673, a plurality of 4.690. The county complete, in 1884.

gave Oglesby (rep.) for governor 65,130, against 65,233 for the democratic candidate, a plurality of 103 for the democrats.

Cook county (complete), including the city of Chicago, gives Harrison 83,790. Cleveland \$4,354; Cleveland's plurality 544. Fifer (rep.), for governor, 82,442; Palmer (dem.), 86,956; Palmer's plurality 4,514. In 1884 the county gave Blane 69,951. Cleveland 69,099. county gave Blaine 69,251, Cleveland 60,609; Blaine's plurality 8,642.

The Tribune will announce the defeat of Baker in the 188th Illinois (William R. Morrison's) district by W. S. Foreman by a majority of 145.

CALIFORNIA.

SAN FRANCISCO, Nov. 7 .- Returns throughout California are coming in very slowly, and as there are no complete city or county returns there is no basis of comparison with 1884 possible. The republican and democratic state committees both claim the state, the former by from 7,000 to 9,000 while the democrats contend that their ticket will have a majority of 2,000 or 3,000. The city of San Francisco has been carried by the democrats. The Evening Post (rep) says that Cleve-iand's majority in the city will be 4,600, while the democrats claim that the majority will approximate 8,000 to 9,000 in the city, and that the resultilizans will not come to the and that the republicans will not come to the city with a sufficient vote to overcome this. The entire democratic ticket in San Fran-

Los Angeles, Nov. 7.—Ninety-three out of one hundred and thirty-one precincts in this city and county give Harrison 10,318, Cleveland 7,758.

Cleveland 7,788.

SAN FRANCISCO, Nov. 7.—A Chronicle special from New York says that Chairman Brice concedes the election of Harrison.

SAN FRANCISCO, Nov. 7.—The Chronicle claims the election of four republican congressmen in the interior districts, as follows In the First and Second districts Thompson and Biggs (dem.), and present incumbents, have been defeated by De Hoven and Eagan (rep.). McKenna and Van DeVer (rep.) have been re-elected in the Third and Sixth dis tricts. Returns from the Fourth district are meager, and no indication is given as to whether or not Morrow (rep.) has been reelected. Returns from the Fifth district are also meager and no conclusions can be based

upon them.

Seventeen thousand votes had been canvassed in the city of San Francisco up to 2
o'clock this afternoon, out of 54,000 cast. The
vote gives Harrison 8,292, Cleveland 8,750.
Naper county returns (complete) give Harrison
1.752 (Claveland 1.48) 1,752, Cleveland, 1,483. In 1884 it gave Blaine 1,590, Cleveland 1,258. Sacramento county (complete, except one precinct) gives Harrison 4,670, Cleveland 3,357. In 1884 it gave Blaine 4,368, Cleveland 2,664.

COLORADO.

DENVER, Nov. 7 .- The excitement in this city last night and to-day over the election returns is intense, each bulletin being greeted with rounds of yells by the republicans, who are confident of the success of the national ticket. The democrats, while acknowledging that their chances are very doubtful, have not entirely given up all hopes of carrying New York. Returns of the Colorado election, both state and Arapahoe county (Denver) are unusually slow coming in. Up to this hour (7:30 p. m.) only partial returns have been received. These indicate the election of the republican ticket by majorities ranging from 8,000 to 12,000. The next general assembly will probably be as follows: Senate, six democrats and nineteen republicans. House, ten democrats and thirty-nine republicans. Partial returns from twenty-three counties give Cleveland 5.044. Harrison 7,664. Congressman, Townsend (rep.) 7,302. Macon (dem.) 4,749. Governor, Cooper (rep.) 6,946, Patterson (dem.) 5,116. Complete returns

from twenty-five precincts in the city and county give the following vote: Harrison 4,765, Cleveland 3 227, Townsend 3,691, Macon 3,397, Cooper 4,570, Patterson 3,589.

NEW JERSEY. TRENTON, Nov. 7.-The congressional del-

egation of New Jersey is as follows: First District-C. R. Bergen (rep.) Second District-James Buchanan (rep.) Third District—J. Geisenheimer (dem.)
Fourth District—P. Fowler (dem.)
Fifth District—C. D. Beckwith (rep.)
Sixth District—Herman Lehback (rep.)
Seventh District—William McAdoo (dem.) The state legislature will stand thus: Democrats 31, republicans 27, in doubt 2. Democratic majority on joint ballot, not including doubtful districts, 5.

WISCONSIN.

MILWAUREE, Nov. 7 .- Van Schaik's (rep.) majority over Henry Smith (dem. and labor) in Milwaukee, Fourth congressional district, is about 1,500. The republicans elect the entre county ticket, with the exception of treasurer. Baraig (dem.) is elected to congress over McFetriedge (rep.) in the Second district.

MICHIGAN.

DETROIT. Nov. 7 .- The election of Wheeler in the Tenth district over the democratic in-cumbent is conceded. This leaves but one district (the Seventh) in doubt, and is a

republican gain of three.

Detroit, Nov. 7.—Sufficient returns have been received from all congressional districts in Michigan, with one exception, to in-sure the election of eight republicans and two democrats, a republican gain of two. The result in the Tenth (Fisher's) district is in doubt, and may require the official count

to determine.

DETROIT, Nov. 7.—The Tribune estimates Defroit, Nov. 7.—The Tribune estimates Harrison's plurality in Michigan at 22,000. Luce, for governor, runs about 8,500 behind his ticket. The Free Press estimates are practically the same as above.

OHIO.

CINCINNANTI, Nov. 7 .- All counties excepting six show a plurality for Harrison of 20,331. The six counties not reported gave Foraker (rep.) for governor in 1887 a plurality of 436.

PORTLAND, Nov. 7 .- Returns from the more remote sections in the state are coming in slowly. However, sufficient have already been received to place Harrison's majority larger than Herman's (congressman). At the election last June Herman's majority was 7,407 over Geerin. The very latest and most authentic news justifies the estimate of between 7,000 and 8,000.

CONNECTICUT.

NEW HAVEN, Nov. 7 .- The republicans here celebrated their national victory by firing a salute of 100 guns this afternoon and

firing a salute of 100 guns this afternoon and a monster procession this evening, the characteristics of which were music, fireworks and general enthusiasm.

HARTFORD, Nov. 7.—Complete returns give Cleveland 74.904, Harrison 74.519, Fisk 4,181. Cleveland's plurality 885. For governor, Morris (dem.) 74.944, Bulkely 73.425. The legislature has a republican majority of 49 on joint ballot, and this insures Bulkely's election as governor. tion as governor.

MINNESOTA.

St. Paul, Nov. 7 .- Merriam's majority is about 7,000. Four republican congressmen have been elected. The First district is still St. PAUL, Nov. 7.- The Globe (dem.) con

cedes that the state has gone for Harrison by 20,000; for Merriam (rep), for governor, by 10,000; and that republican congressmen are elected in all districts.

WEST VIRGINIA.

Wheeling, Nov. 7.—Atkinson (rep.) is elected over Pendleton (dem.) for congress in the First district, by 600 majority.
WHERLING, Nov. 7.—Fourteen out of twenty-four precincts, casting one-third os he vote of the state, show republican gainf of 1,062. If corresponding gains are made in the rest of the state it will give 600 republi-

can majority.

Wheeling. Nov. 7.—It is pretty well assured that the legislature will be republican. Atkinson (rep.) is elected to congress in the First district, and Jackson (dem.) in the Fourth. The Second and Third are in doubt. Both state committees claim the election of governor and the fight is very close. The state ticket may be split. This city gives Cleveland 7 majority, republican gair of 188.

LOUISIANA.

NEW ORLEANS, Nov. 7 .- Nearly complete returns from the Second congressional district show the election of Coleman (rep.) by 300 majority. In the Fifth district the repub-licans claim to have elected Mudd to con-gress by a plurality of 36.

TENNESSEE

CHATTANOOGA, Nov. 7 .- R. Clay Evans (rep.) defeats Creed F. Bates (dem.) for congress from the Taird congressional dis-trict of Tennessee. Evans' majority is 86. This is the first republican congressman ever elected from this district.

FLORIDA.

JACKSONVILLE, Nov. 7 .- Florida gives the Cleveland electors and the democratic state ticket a majority of something less than

PENNSYLVANIA.

PHILADELPHIA, Nov. 7 .- Returns from every county in the state show a plurality for Harrison of 72,928, a democratic gain of 8,071 as compared with the vote of 1884. One republican congressman is gained.

MASSACHUSETTS.

Boston, Nov. 7 .- All but two towns in the state have been heard from, and give Harrison 183,447, Cleveland 151,990, Fisk 8,641. The same towns in 1884 gave Blaine 146,613, Cleveland 122,254, Butler 24,376, St. John

SAN FRANCISCO, Nov. 7 .- Forty-two precincts in Nevads, out of 172, give Harrison 3,147, Cleveland 2.034. Returns from thirtyfive precincts in Newada give the republican congressional candidate 1.984, and the democratic 1,633.

VIRGINIA. WASHINGTON, Nov. 7 .- A special to the Post from Alexandria, Va., says the secretary of the democratic state committee claims the state for Cleveland by a reduced majority, probably between 4,000 and 5,000.

KANSAS.

TOPEKA, Nov. 7 .- Returns have been received from every county in Kansas. The estimate of Chairman Booth, from the reports received, gives Harrison 70,000 majority over Cleveland, and 65,000 for the entire republican ticket. The republicans have elected all but four members, and two of these districts are in doubt. Every republican senator is re-elected but two, one in Leavenworth and one in La Belle county, There are 38 opposition members in the present legislature.

KENTUCKY. LOUISVILLE, Nov. 7.-The latest returns show that the democrats carried the first nine congressional districts, with much the best prospects in the Tenth. The Eleventh has elected Finley (rep.). This is a certain gain of one denoratic congressman and probably two. Cleveland's majority is near
